DZIDZO MPYA

FRONT-END WEB DEVELOPER

Web Developer with a Bachelor's degree in French and Psychology, bringing cross-cultural and human-centered insight to technology. With specialized training in front-end web development, I am skilled in HTML, CSS, Tailwind CSS, JavaScript, React, and Next.js. Served as a Digital Skills Expert for innovators under UNDP Youth Africa Innovators (YAI) projects, providing remote website support, maintenance, and quality assurance.

Experience

Digital Skills Expert (Web Support & QA)

UNDP Youth Africa Innovators (YAI) – Remote   Sept 2025 - Nov 2025

- Delivered website support, maintenance, and quality assurance for three innovator websites under the UNDP YAI program
- Identified and resolved bugs, ensured UI consistency, and performed responsiveness testing across devices
- Implemented content updates and frontend improvements to prepare platforms for successful project handover
- Collaborated remotely with innovation teams to ensure smooth transition and continuity

Front-End Development Contributor

UNICEF Startup Lab – Project-based   Aug 2025 - Sept 2025

- Contributed to the development and refinement of responsive user interfaces during an innovation sprint
- Supported testing, bug resolution, and usability enhancements to improve user experience
- Delivered tasks within tight timelines in a fast-paced, collaborative startup environment
